

Community Notification

Welcome to the Missouri State Highway Patrol Sex Offender Registry Community Notification Program. This document will serve as a walkthrough for those interested in utilizing this service.

What is Community Notification?

- Public users that enroll in the Community Notification Program will receive e-mail updates concerning registered sexual offenders that live, work, or go to school in their area.
- Users may also have the option to enroll for e-mail updates on a specific offender, whether the offender lives in their area or not.

Users utilizing the Community Notification Program will be required to create an account utilizing their e-mail address and a password. To begin click the link entitled “Click HERE to Enroll or Un-Enroll from Notifications” located on the main Community Notification page.

☐ **Distance:** To enter an address you will need to first set the address radius. Community Notification alerts will be sent to your e-mail address anytime that an offender moves into or out of the radius around the address you are adding. Please note: the larger the radius, the more e-mail alerts you are likely to receive. In urban areas a smaller radius is recommended, in rural areas a large radius may be more beneficial.

☐ **Address Type:** This is a free-text field. The user may add a name of their choice to identify the address ie. Home, Work, School, Daycare, etc.

☐ **Street Address:** The address that the user would like to track.

☐ **City, State, Zip:** The City, State, and Zip Code of the address.

☐ Once an address is added it will appear under the heading “Addresses that You are Currently Tracking”. You may update the radius and/or other information concerning the address at anytime from this menu.

☐ Anytime a change is made to one of your notification settings you will receive an e-mail alert confirming the change within 24 hours.

Frequently Asked Questions

Q. Why Did I Receive this E-mail?

A. You have received this e-mail because you are a participant in the Missouri State Highway Patrol Community Notification Program. This program will automatically alert you via e-mail of registered sexual offenders who register a home, work, or school address that is in close physical proximity to a physical address that you have chosen to track. You may track up to five separate physical addresses as part of this program. Alternatively, you may choose to track up to five registered sexual offenders, regardless of their proximity to your address. To change your account settings click [here](#) to log-in.

☐ Alternatively, you also have the option to register for a specific offender. You will then be notified anytime the offender's school, work, or home address changes.

☐ To register for an offender you may enter any of his or her information into the search boxes below.

☐ Hitting Offender Search will then bring up a list of Missouri Sex Offenders that match the criteria entered.

Frequently Asked Questions

Q: When will the Missouri State Highway Patrol Sex Offender Registry Community Notification System send me e-mail notifications?

A: The Community Notification System will send you an e-mail immediately when you initially enroll in order to confirm your e-mail address. If at any time you add or change an address or an offender that you are tracking, you will receive another confirmation e-mail within 24 hours. Lastly, anytime that that an offender moves into your selected radius or a specific offender that you are tracking changes their address information, you will receive an e-mail within 24 hours from the time that the information is entered into the Missouri Sex Offender Registry.

Q: I have enrolled my e-mail address and password in the community notification program but never received the initial confirmation e-mail to validate my account. What do I do?

A: Your e-mail account may have blocked the confirmation e-mail message due to a spam filter. If your e-mail account has a spam or junk folder you may need to check this folder for the confirmation message.

Q: What do I need to do if I forget my community notification enrollment password?

A: You may re-set your password by clicking on the following link:

<https://www.mshp.dps.missouri.gov/CJ38Comm/userRetrieval.jsp>

You will need to provide your e-mail address and supply a new password. A confirmation e-mail will then be sent to your e-mail account. Once you click on the link contained in this e-mail your new password will take effect.

Frequently Asked Questions

Q: I entered an address but the system told me that it was unable to map the address I had entered. What should I do?

A: The Missouri State Highway Patrol makes every attempt to keep its mapping software up-to-date, however, occasionally new addresses, or addresses in rural areas will not be able to be mapped via this site. If this happens it is suggested that you attempt to use a different address that can be mapped that is near the address you are trying to track.

Q: How do I change the e-mail address where my alerts are sent?

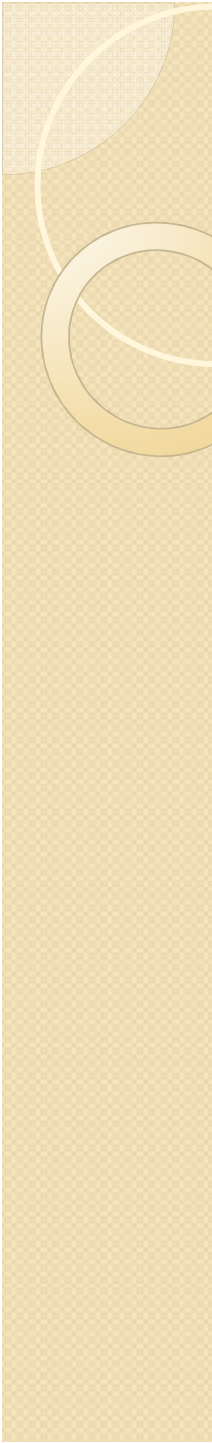

A: At this time you cannot change the e-mail address associated with your account. Instead you will need to delete the e-mail address that you are currently using from the Community Notification System by using the following link:

<https://www.mshp.dps.missouri.gov/CJ38Comm/userRetrieval.jsp>

Once you have deleted your old e-mail address you may re-enroll with a new e-mail address.

Q: Can I receive alerts at multiple e-mail accounts?

A: At this time you cannot receive notification alerts at multiple e-mail accounts via one enrollment. However, you may still enroll each of your e-mail addresses separately to receive alerts.
